

Annex 2: Mechanics

Please mark applicable boxes with a cross

1. General			
Lathe	<input type="checkbox"/>	Turning machine (Lathe)	<input type="checkbox"/>
Mill	<input type="checkbox"/>	Milling machine	<input type="checkbox"/>
Drill	<input type="checkbox"/>	Drilling machine	<input type="checkbox"/>
		Boring mill	<input type="checkbox"/>
Grind	<input type="checkbox"/>	Flat grinder	<input type="checkbox"/>
		Round grinder	<input type="checkbox"/>
Saw	<input type="checkbox"/>	Bandsaw	<input type="checkbox"/>
		Hacksaw	<input type="checkbox"/>
Special machines	<input type="checkbox"/>	Gear manufacturing	<input type="checkbox"/>
		Thread production	<input type="checkbox"/>
		Broaching machines	<input type="checkbox"/>
		Hydraulic presses	<input type="checkbox"/>
		Deburring machine	<input type="checkbox"/>
		3D print metal	<input type="checkbox"/>
		3D print plastic	<input type="checkbox"/>
Sheet metal working	<input type="checkbox"/>	Laser cutter	<input type="checkbox"/>
		Water jet cutting	<input type="checkbox"/>
		Shears (for metal; big one)	<input type="checkbox"/>
		Bend press	<input type="checkbox"/>
		Nibbling machine	<input type="checkbox"/>
		Stamping machine	<input type="checkbox"/>
		Burning cutters	<input type="checkbox"/>
Welding process	<input type="checkbox"/>	Electro welding	<input type="checkbox"/>
		MIG- welding	<input type="checkbox"/>
		MAG- welding	<input type="checkbox"/>
		WIG- welding	<input type="checkbox"/>
		RP- welding	<input type="checkbox"/>
Testing equipment for welds	<input type="checkbox"/>	Color penetrant inspection	<input type="checkbox"/>
		Magnetic powder testing	<input type="checkbox"/>
		Ultrasonic testing	<input type="checkbox"/>
		X-ray inspection	<input type="checkbox"/>
Sheet metal processing	<input type="checkbox"/>	Laser cutter	<input type="checkbox"/>
		Water jet cutting	<input type="checkbox"/>
		Shears (for metal; big one)	<input type="checkbox"/>
		Bend press	<input type="checkbox"/>
		Nibbling machine	<input type="checkbox"/>

Annex 2: Mechanics

Please mark applicable boxes with a cross

Surface processing	<input type="checkbox"/>	Blast plant	<input type="checkbox"/>
		Surface powder coating	<input type="checkbox"/>
		Surface wet painting	<input type="checkbox"/>
		Galvanic	<input type="checkbox"/>
		Harden plant	<input type="checkbox"/>
		Thermo transfer printing	<input type="checkbox"/>
Measuring equipment	<input type="checkbox"/>	Measuring machines	<input type="checkbox"/>
		Measuring plates	<input type="checkbox"/>
		Measuring room (air-cond.)	<input type="checkbox"/>
		Measuring /testing medium	<input type="checkbox"/>
		3D laser measurement	<input type="checkbox"/>
Rubber and plastic goods	<input type="checkbox"/>	Flat gaskets	<input type="checkbox"/>
		Profile seals	<input type="checkbox"/>
		Injection moulded parts	<input type="checkbox"/>
		Fibre composites	<input type="checkbox"/>
		Foams	<input type="checkbox"/>
Cast	<input type="checkbox"/>	Fine casting	<input type="checkbox"/>
		Sand casting	<input type="checkbox"/>
		Cast steel	<input type="checkbox"/>
		Pressure casting	<input type="checkbox"/>
		Vacuum casting	<input type="checkbox"/>
Forging	<input type="checkbox"/>	Steel	<input type="checkbox"/>
		Iron	<input type="checkbox"/>
		Brass	<input type="checkbox"/>
Pipe production			<input type="checkbox"/>
Assembly	<input type="checkbox"/>	Complex assemblies	<input type="checkbox"/>
		Simple assemblies	<input type="checkbox"/>
		incl. Electronics	<input type="checkbox"/>
		incl. Wiring	<input type="checkbox"/>
Other	<input type="checkbox"/>		<input type="checkbox"/>
